

KOBRA BASKET PULL-OUT

The universal basket pull-out for kitchen and housekeeping applications

CONFIGURATIONS

Basket, white

DISTINGUISHING FEATURES

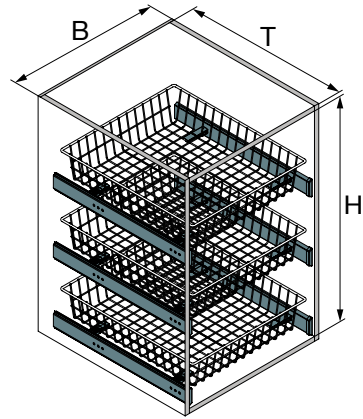

- Perfect for storing groceries, pots and pans or linens
- The baskets' high walls stop the stored items from toppling
- The wire mesh sides give a clear overview of the unit contents

- Integrated Softclose soft-closing mechanism
- Closes silently and automatically

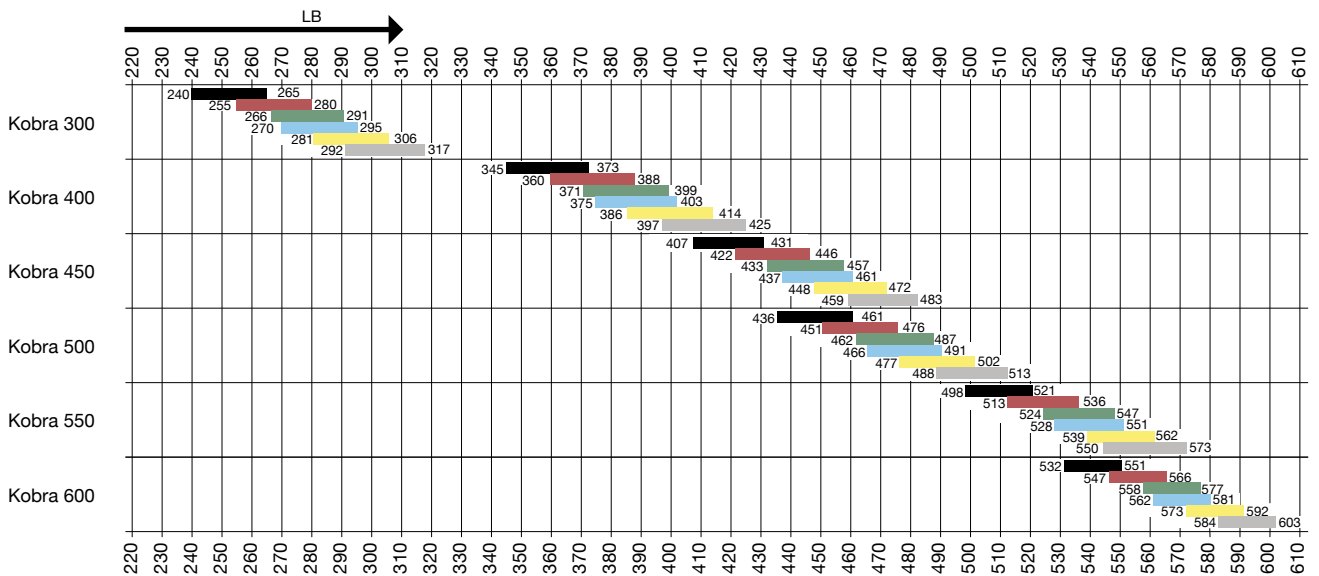

- The plastic door deflector prevents scratches to unit doors
- Width-adjustable for flexible installation
- Easy to retrofit
