

SLIM BASE UNIT PULL-OUT

The sturdy base unit pull-out for kitchens and the home

DESCRIPTION

It is worth paying special attention to your base units. With a practical pull-out, even a narrow recess measuring just 150 mm across can be used for storing spices, oil, vinegar, cleaning equipment, cooking utensils, groceries, and more.

FEATURES

- › Pull-out system available in three different heights
- › Perfect for storing groceries, bottles and spices
- › Optimum use of space, with unit widths from 150 to 400 mm
- › Clip-on trays of shatter-proof polycarbonate provide a clean space to store your bottles and spices
- › Thanks to the clip system between frame and full extension runner, assembly is easy and tool-free
- › Can be mounted on the left or right side of the unit
