

SNELLO BASE UNIT PULL-OUT

Special two-stage extension system for narrow base units (150, 200 and 300 mm)

DESCRIPTION

It is worth paying special attention to your base units. With a practical pull-out, even a narrow recess measuring just 150 mm across can be used for storing spices, oil, vinegar, cleaning equipment, cooking utensils, groceries, and more.

FEATURES

- › Towel rail with a handy plastic container for hand towels, cloths and sponges
- › A great solution for those small spaces around the sink or cooker
- › The shelves are easy to remove for cleaning
- › Moves smoothly and quietly
- › No visible guide rails Excellent access from the left or the right
- › Push-to-open available as an option for handle-free front panels
- › The Push-to-open mechanism is fastened to the side wall, under the upper rail The trigger is attached to the tubular frame
